

GRADIVO ZA RAZVIJANJE IN TRENING VIDNEGA ZAZNAVANJA (SLEDENJA,
RAZLIKOVANJA, POMNENJA, VIDNO MOTORIČNE KOORDINACIJE),
ORIENTACIJE, POZORNOSTI IN KONCENTRACIJE

Vsaka predloga je narejena v dveh različicah: s poudarjeno (pomaga otrokom pri sledenju in ohranjanju desnega ali levega pasu) in brez poudarjene vmesne sredinske črte. Na koncu datoteke sta dodani tudi dve prazni, ki jih lahko dopolnite po svojih željah.

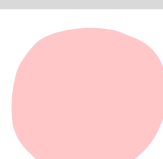

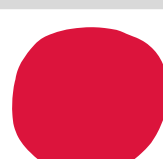

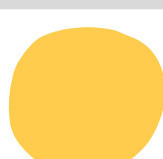

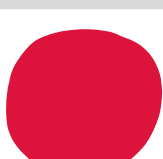

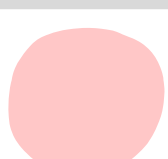

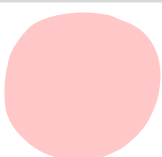

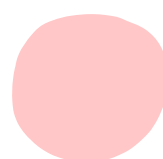

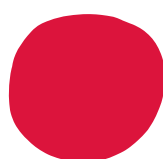

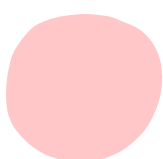

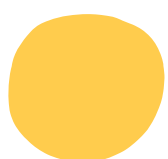

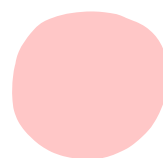

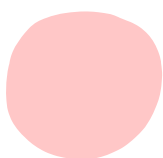

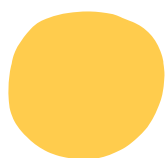

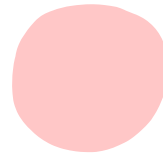

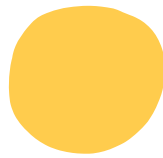

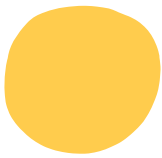

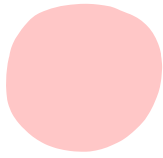

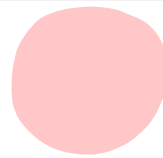

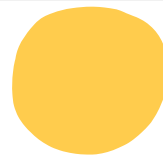

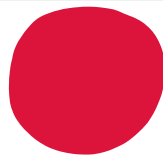

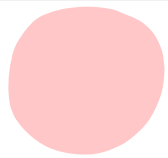

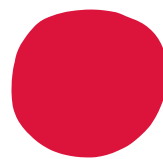

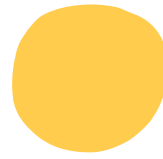

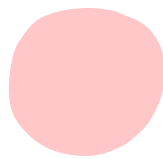

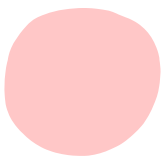

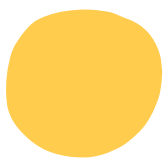

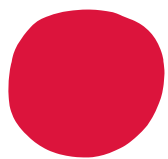

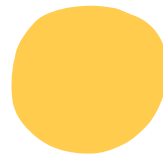

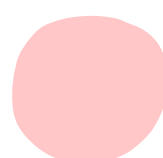

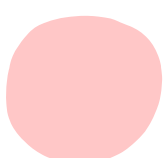

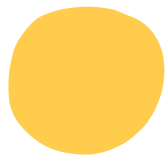

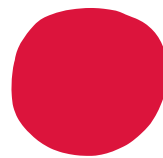

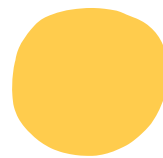

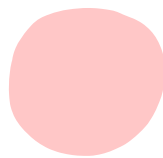

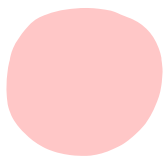

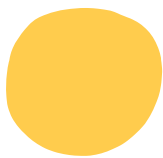

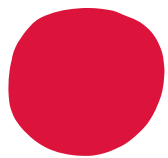

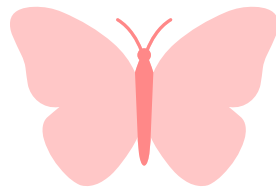

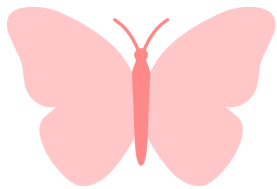

Predloge natisnite in jih plastificirajte. V videu je prikazanih tudi nekaj primerov dejavnosti, ki jih lahko izvajate z otroki.
